March 1, 2022

Dear Parents:

The Glendora Unified School District operates a preschool program for children ages 18 months to 5 years. The purpose of this letter is to offer parents an opportunity to enroll their children in the Preschool Program for the 2022-2023 school year. **Our open registration period begins Tuesday, March 1, 2022 at 7:00 a.m.**

The staff at G.U.S.D. Preschool is dedicated to providing an enriching learning experience for your child. It focuses on activities that are developmentally appropriate and prepare children for academic success. Your child will discover a learning environment that encourages and promotes the areas of cognitive, social/emotional, and physical development in a safe and nurturing setting.

The program is supported by the parents of the children who participate. It is a tuition-based, self-supporting program, not funded by the school district or the state.

Applications may be brought in or mailed to the Child Development Office, along with a **\$150 non-refundable deposit** for each student being enrolled. The deposit includes a \$75 registration fee. The remaining \$75 will be credited toward the first month's tuition.

Please see the attached pages for the fee schedule and application. If you have any questions or need additional information, please call the Child Development Office at 626-852-4586.

Sincerely,

Michelle Gallo
Program Director
